**AFFIDAVIT IN SUPPORT OF CRIMINAL COMPLAINT**

I, Mary P. Braun, a Detective with the Cincinnati Police Department and a Task Force Officer with the Federal Bureau of Investigation (FBI), being duly sworn, hereby depose and state:

**INTRODUCTION**

1. I have been employed as a Police Specialist with the Cincinnati Police Department since 2004, and for the past eight years have been assigned to the Regional Electronics Computer Investigations (RECI) Task Force working on computer-based crimes and crimes against children, to include the sex trafficking of minors. As a Task Force Officer, I have investigated federal criminal violations involving crimes against children, child pornography, and sex trafficking. I have received formal training in the investigation of these matters at the Cincinnati Police Academy, the Federal Bureau of Investigation, and the National Center for Missing and Exploited Children, through other in-service training, and through private industry. As part of the Federal Bureau of Investigation's Violent Crimes Against Children/Child Exploitation Task Force, in 2011, I was deputized by the United States Marshals Service as a Special Deputy United States Marshal, thereby authorized to seek and execute arrest and search warrants supporting a federal task force. During my career, I have participated in various investigations involving computer-related offenses, crimes against children, and sex trafficking. I have executed numerous search warrants to include those involving searches and seizures of computers, computer equipment, software, and electronically stored information. As a Task Force Officer, I am authorized to investigate violations of laws of the United States and to execute warrants issued under the authority of the United States.

2. I am familiar with the facts and circumstances of this case. The information contained in this affidavit is either personally known to me, based upon my own personal observations and review of various investigative reports and records, or has been provided to me by other law enforcement agents or sworn law enforcement personnel. Because this affidavit is being submitted for the limited purpose of obtaining an arrest warrant, I have not included in this affidavit all information known by me relating to the investigation. I have set forth only those facts to establish probable cause for the charges in the complaint. I have not withheld any evidence or information that would negate probable cause.

3. Title 18, United States Code, Section 1001(a)(2) makes it a crime for a person, "in any matter within the jurisdiction of the executive, legislative, or judicial branch of the Government of the United States, [to] knowingly and willfully ... make[] any materially false, fictitious, or fraudulent statement or representation." Based on my training and experience and the facts as set forth in this affidavit, there is probable cause to believe that violations of 18 U.S.C. 1001(a)(2) have been committed by Brian Michael RINI.

#### **INVESTIGATION AND PROBABLE CAUSE**

4. On April 3, 2019, officers from the Newport (KY) Police Department responded to the area of Columbia Street, Newport, Kentucky 41071. The officers came in contact with an individual, later determined to be Brian Michael RINI (DOB XX/XX/1995; SSN XXX-XX-4048), who had been wandering the street and looking confused and in need of assistance. RINI stated that his name was Timmothy Pitzen and that he was abducted when he was six years old and just wanted to go home. When the officer called the dispatch center, they advised that a fourteen year old boy by the name Timmothy Pitzen was associated with a missing and possibly abducted child.

5. In 2011, Timmothy Pitzen, a six year old boy, went missing from Aurora, Illinois. Timmothy had been picked up at his school by his mother. A few days later, his mother was found deceased in a Rockford, Illinois hotel room. Several notes were found which claimed Timmothy was with people who loved him and would take care of him. The notes also stated that he would never be found.
6. At the time of Timmothy's disappearance in 2011, FBI Chicago provided assistance to the Aurora Police Department and other law enforcement agencies in their efforts to locate Timmothy. On April 3, 2019, based on information RINI provided to the Newport Police Department, FBI Cincinnati and FBI Louisville, with the assistance of the Department of Homeland Security, initiated a missing juvenile and child sex trafficking investigation in coordination with multiple law enforcement agencies in Ohio, Kentucky, and Illinois.
7. Shortly after Newport Police Department made contact with the person claiming to be Timmothy Pitzen, he complained of abdominal pain. Because of that complaint, "Timmothy" was taken to Cincinnati Children's Hospital Emergency Room. Your affiant met with "Timmothy" in the Emergency Room, identified herself as a Task Force Officer with the Federal Bureau of Investigation and explained her role in the investigation to include investigating sex trafficking and crimes against children for the FBI. During the conversation, RINI claimed to be fourteen year old Timmothy Pitzen. He further claimed he had recently escaped from a hotel room in which two men had been holding him captive. He explained that he had been sexually and physically abused for years while in captivity.
